

1. Dedicating a new tree at the burial ground to the memory of someone:-

The trees at Hundy Mundy are now mature and the woodland management plan aims to plant new trees, to eventually succeed the older trees, to preserve Hundy Mundy Wood as the landscape feature that it is.

These new trees will be planted by the estate's forester and will be caged by fencing and tree-tube guard and stake to help protect against being nibbled by wildlife.

For the dedication of the tree, a horticultural 'tree label' is provided to be displayed at the base of the tree inscribed with the details given below. The labels will be displayed for an initial period of 10 years (due to the projected lifespan of the materials), and you will have the option to renew/extend the periods at the end of this term.

2. Details to be inscribed on the 'tree label'
